 - Other specified payments

Your product may now be made commercially available.

The ATO conducts monitoring at the network, application and transaction layers. If anomalies or areas of concern are identified, we may re-assess your whitelisting suitability. The ATO will generally contact you or your representative before making changes to your whitelisted status unless exceptional circumstances apply.

If you have questions or need further assistance, contact the Digital Partnership Office (DPO) via [Online services for DSPs](#) or by emailing DPO@ato.gov.au.
